

COCC Community Education Snow Closure Policy

In the event of extreme adverse weather conditions, COCC Continuing Education **remote (online) courses** will proceed as scheduled in most cases. If a remote course is cancelled, you will receive a notification via your email address that we have on file. If you do not receive a notification, log in to your course.

Continuing Education **in-person courses** held on a COCC Campus will be cancelled if the College closes the campus due to adverse weather conditions. If your course is held off-campus, we will follow any closure decision made for the nearest COCC campus or area school district.
