ASSOCIATE OF APPLIED SCIENCE IN NURSING
FALL 2023 APPLICATION INFORMATION AND STATISTICS

2023 Application Deadline

Applicants must complete all application requirements no later than 5:00 pm on the Tuesday following spring term finals: **June 20, 2022.** Only completed and submitted applications received by the deadline will be considered for selection. Applications will be available online at the beginning of spring term 2023.

Applicant Responsibility

You are solely responsible for ensuring that you meet all application prerequisites before the application deadline. You should attend a nursing program information session and review your GradTracks information to confirm progression towards application requirements (ensure you are looking at the most current catalog year).

- This includes ensuring COCC has received official transcripts from all institutions attended
- For courses in progress spring term, the process outlined in the handbook must be followed and completed

It's highly recommended that you work closely with your advisor to ensure application and degree requirements are part of your overall academic plan.

Competitive Admission

Admission to COCC's Nursing program is competitive and enrollment is limited. In 2021, 153 students applied for 56 positions and in 2022, 139 students applied for 52 positions. The number of students admitted to the nursing program is determined annually based on the number of alternates from the previous year and program space.

The tables below give information on students underlined admitted to the 2021 and 2022 Nursing programs. Students should use this information as a guideline for evaluating their chances of gaining admission into COCC's program.
